

EXECUTIVE PROGRAMME IN SPORTS LAW, MANAGEMENT & GOVERNANCE

Designed for the next generation of decision-makers in sport, this programme equips participants with both legal expertise and strategic industry insight. Whether you are a practicing lawyer, active or former athlete, sports official, agent, or recent graduate, this programme offers the knowledge and network to elevate your career in the global sports ecosystem.

You'll learn from distinguished academics and internationally recognized sports law practitioners – professionals who work daily within federations, clubs, governing bodies, arbitral institutions, and commercial sports organizations.

BENEFITS

- Strong focus on sports governance and regulation
- Direct, practical and strategical insight into decision-making processes within international sports governing bodies and global sports dispute resolution forums
- Combination of legal, financial and managerial perspectives
- Access to a high-level international network of leading practitioners and institutions in global sport

PROGRAMME OVERVIEW

Length: 1 year
Core Modules: 25
Format: Hybrid – flexible online learning combined with immersive on-site sessions
On-Campus Locations:

- 3 academic blocks in Slovenia
- 1 Swiss session with direct exposure to Global Sports Governing institutions & Tribunals

Faculty: Industry-leading specialists in sports law, regulation, and governance
Cost: 16,500.00 EUR

WHO THIS PROGRAMME BENEFITS

- Lawyers seeking to specialize or transition their careers into the field of sport
- Athletes preparing for leadership roles during or after their competitive careers
